Investment Approach

The Hennessy Japan Fund seeks high-quality, globally-oriented Japanese companies with time-tested business models and exceptional management that can perform well through economic cycles. The portfolio is limited to the Managers' best ideas, with a concentrated number of holdings.

Why Invest

- Opportunity to invest in the potential rebound of Japan's economy
- Concentrated portfolio focused on world-class, globally oriented companies
- Asia-based management enables rigorous due diligence and research process leading to an in-depth understanding of the Japanese market and culture

“We believe having ‘feet on the street’ in Japan provides a crucial advantage for our shareholders.”

The Fund is sub-advised by Tokyo-based SPARX Asset Management Co., Ltd. Since its founding in 1989, SPARX has grown to become the largest independent asset manager in Japan. CMA designates Chartered Member of the Security Analysts Association of Japan.

Investors should consider the investment objectives, risks, charges and expenses carefully before investing. This and other important information can be found in the Fund's statutory and summary prospectuses. To obtain a free prospectus, please call 800-966-4354 or visit hennessyfunds.com. Please read the prospectus carefully before investing.

Mutual fund investing involves risk; Principal loss is possible. The Fund invests in small and medium capitalized companies, which may have more limited liquidity and greater price volatility than large capitalization companies. The Fund invests in the stock of companies operating in Japan; single country funds may be subject to a higher degree of market risk. The Fund may experience higher fees due to investments in pooled investment vehicles (including ETFs).

Earnings growth is not representative of the Fund's future performance.
